Shri Ravinder Kumar Advocate
Manager of Managing Committee, P.C.
Institute Samiti, Ghaziabad established
School at Raj Nagar, Ghaziabad with some
prominent educationist in 1990, in the memory
of his loving father Late Shri Premchand Ji
with the aim, 'First Step for long journey'. To
increase the chain of this Holy work of
education. They established a second school at
Sant Shri Asharam ji Asharam Nand Gram,
Gzb. with great co-operation of Education
devotee Former Sanchalak Shri Rajeev Bhai,
Sant Shri Asharam Ji Ashram, Gzb. in
2000. In this continuation third school started
at D block Govind Puram, Ghaziabad in
2004. At present we provide education from
class Nursery to XIIth. Schools are affiliated
with Central Board of Secondary Education,
New Delhi & registered under the Society
Registration Act. 1860.

Recently in this group of schools chain They
establish a new School at Raj Nagar
Extension Bhowapur Crossing in 2021.

Academic Excellence

In our education technique, we adopt policy i.e. - Modernity with Tradition. For this we arrange different types of classes regularly like Yoga, Meditation, Pranayam, Kirtan, Camps etc. by this we try to improve internal powers like Memory Power, Concentration Power, Decision taking Power, Technique of Facing Problem, to respect moral values and to know their responsibility and hpw to perform duty with others. By this technique we are going high towards our aim with strong determination. "First Step for long journey."

We aim to ensure that all children have a successful and rewarding time. School has taken up the noble aim to provide quality education to the children to enable them to achieve leadership roles in various walks of life. We at P.C. are committed to give the children every opportunity and encouragement to develop into independent resourceful and caring individuals.

Education is a partnership between Teacher & Parents, this cooperation and support are vital in ensuring that the children gain the maximum benefit from their time with us.

Our children are continuously challenged to attain higher standards and it is important because expectations are high both academically and personal. The school has well qualified, experienced devoted and competent staff. Through a range of teaching styles, the staff create a positive atmosphere of mutual respect and trust to create an environment where all students feel safe and valued as individuals. In this way we hope that they will develop self motivation and a sense of warmth. We try to make them models of excellent conduct and noble behavior.

Talking of the facilities, the school has fully equipped computer lab, science lab and library. Models and charts are provided for all kinds of activities. In addition the students are encouraged to make their own models for use in labs. Medical check-ups are also carried out at regular intervals. Extra classes for weak students are also conducted by the school without any additional charges.

School has well equipped nursery classes, various playhouses and water tubs where they play and splash water. The nursery group is for 3 to 5 years old and provides children with a programme to promote all aspects of their development. The kids work towards developing their social-skills, mental-ability, speech, communication skills and cognitive functions which will be necessary for future school education, Our aim is to develop a confident child with a wonderful personality. For this we also organise outing and picnics for more exposure.

We have bright and airy rooms which provides our young people with the very best possible learning environment which prepares them ideally for a better tomorrow.

We also give ample opportunity to develop the inherent talents of children through Co-Curricular activities like G.K. quiz, Group Discussions, Story Writing, Drawing competition etc. Physical exercise is made compulsory activity, Beside this Karate/Taikwando, Yoga and Vocal Music are also taught.
